## 4-3-24 MARKET REPORT 1445 Sold

Thank you to the 1st & 2nd grade classes from Lusk for joining us at the sale today!

### Market Selection

Supply included: 100% Feeder Cattle (32% Steers, 68% Heifers). Feeder cattle supply over 600 lbs was 44%.

### Market Trends

Compared to last week; steer calves traded 5.00 to 8.00 lower on a lighter test to last week. Heifer calves traded fully steady to last week also on a lighter test.

### Market Drivers

A nice offering with still a very active market considering the CME futures the last few days. Lots of moisture in the area with green grass starting to poke through. Sale again next Wednesday.
